ABOUT THE PROJECT

MonnaTheSkunk (\$MONSKUNK) is a community-driven memecoin launched on **Monad Chain** — the fastest EVM-compatible blockchain with 10,000 TPS and sub-second finality. Inspired by the upcoming **FIFA World Cup 2026** (hosted in USA, Canada & Mexico), \$MONSKUNK combines football passion with degen culture in the most fun and engaging way possible.

The project features a professional website with interactive elements (including a community kick game), strong visual identity, and a clear roadmap focused on community growth, listings, and delivering value to holders.
